

# MC4 Y Connector

## Specification:

| Data             | Value                    |
|------------------|--------------------------|
| Sealing          | IP67                     |
| Cable Diameter   | 6 mm <sup>2</sup> max    |
| Accepted Voltage | 600/1000Vdc              |
| Test             | IEC 60228 – TUV Class 5  |
| Temperature      | - 40 ~ 90 °C             |
| Intensity        | 30 A (6mm <sup>2</sup> ) |
| Warranty         | 2 years                  |
